This award honors service professionals who have maintained exceptional service ratings and reviews on Angie's List in 2018.

“Service pros that receive our Angie's List Super Service Award represent the best in our network, who are consistently making great customer service their mission,” said Angie's List Founder Angie Hicks. “These pros have provided exceptional service to our members and absolutely deserve recognition for the exemplary customer service they exhibited in the past year.”

Guests at Country Lane Pet Resort are cared for very differently than in other boarding facilities. Our resort is designed for our guests and what they enjoy rather than what the owner may perceive to be aesthetically appealing to them. In fact, we oppose many pet care methods in practice today. In our opinion, these methods shift focus from what is best for our wagging tail guests and places more emphasis on how to make money. Not to mention many of the practices are just not healthy for your pet.
