Training Classes for 2010

Pam Peterson Training Director (513) 553 – 4513 (option 3)

Our dog training courses are fun and enjoyable for both the dog and their owners. Classes are designed to:

- teach you how to establish a leadership relationship with your dog using our positive reinforcement training methods.
- teach you how to communicate with your dog.
- teach you how to develop good manners and reprogram any undesirable behaviors while having fun with your dog.

Classes are sized for optimum results. All classes are small with no more than 5-6 students per class. The student / teacher relationship is low and the learning curve high. Group classes are held at Country Lane Pet Resort in our climate controlled training center.
